

**Minutes of the:
held in:
on:**

**Ecma TC39-TG1
Phone conference
6th March 2007**

Attendees

- Jeff Dyer, Adobe Systems
- Cormac Flanagan, UC Santa Cruz
- Douglas Crockford, Yahoo!
- Graydon Hoare, Mozilla Foundation
- Pratap Lakshman, Microsoft
- Dick Sweet, Adobe Systems
- Lars Hansen, unaffiliated

Agenda

- Status of the reference implementation

Discussion

- Lars has generic arithmetic pending
- Classes are coming along; Jeff would like to see functionality used by the builtins working by the end of the week
- Graydon wants to start automated testing of the evaluator
- Graydon will start work on runtime type checks
- Brendan wants a new wiki export; we will do it next Monday (12th)
- Pratap wants to know what the status of the SML.Net is (Dave?)
