

Call for registration to the TC39 Royalty Free Task Group

Dear Ecma Members,

One of the outcome of the Ecma GA on the 11th of June 2013 was the approval of:

- 1) The experimental TC39 royalty-free patent policy (CC/13/010 in [GA/13/023-Rev2](#))
- 2) TC39 Royalty Free (RF) TG Scope (CC/13/001 in [GA/13/023-Rev2](#))
- 3) ([GA/13/043](#)) Non-Ecma-member contributions to the planned TC39 RF TG Work:

The document below is the actual registration form for TC39 RF TG members to join (CC/13/009 in [GA/13/023-Rev2](#)).

39-RF_TG.doc

We are distributing this in order that interested Ecma members can complete it and send it to us - if your organization intends to register and participate in the new TC39 Royalty Free Task Group.

The goal would be that at the TC39 Boston meeting in September 2013 we should start to use the new structure. From that point onwards only those TC39 members can participate in the TC39 RF TG work who have formally signed up and have registered for the RF TG. Participation in any other TC39 activity such as "Plenary" is open to any TC39 member.

I hope we have provided all the information needed for starting the registration process.

However, if something is not clear, or you need more information, please do not hesitate to contact us.

Kind regards,

Istvan
