Switzerland

July 23, 2014

Dear Secretary General,

a) We, Applicant, hereby formally apply for **NFP** membership of Ecma International and wish to be registered as:

....Indiana University.....

Prof. Sam Tobin-Hochstadt, Computer Science Division, School of Informatics and Computing, Indiana University, Bloomington, IN 47405, USA, (email: samth@indiana.edu) will be our principle representative.

b) We confirm that we have knowledge of the By-laws, Rules and the Code of Conduct in Patent Matters of Ecma International and that we will comply with them.

c) We irrevocably grant Ecma International the right to use contributions, in part or whole, whether adapted or not, that we submit to Ecma International, for Ecma International's purposes of standardisation, while we retain all the rights we may have on those contributions.

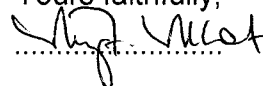

d) We confirm to satisfy the conditions of Art. 3.12 of the By-laws and to respect the Ecma International policy that "If an NFP is an organization with several organizations as members, then normally it can only become an NFP member in Ecma International if its members do not qualify for Ordinary, Associate, SME or SPC membership in Ecma International".

e) We are interested in participating in Technical Committee TC39 ECMA Script.

f) Upon due reception on official stationary of the Applicant of this application the Secretary General admits Applicant, on a provisory basis and without voting rights, to participate in the work of the TC indicated in e) above. This admission is valid until the General Assembly of Ecma International decides on this application.

Signatory, duly authorised by Applicant, legally commits Applicant to comply with the requirements herein from the date indicated on this application; this commitment is independent from acceptance of Applicant as Ecma International member.

Yours faithfully,

(signature by a person legally committing the Applicant)
